

Plasticolors, Inc. Appoints New CFO

Ashtabula, Ohio – August 20, 2007 – Plasticolors, Inc., a custom colorant and chemical dispersions manufacturer for the thermoset plastics and paint and coatings industries, has appointed Mark A. Przybysz as its new chief financial officer. “Mark is an excellent professional and a strong cultural fit with Plasticolors,” said Steve Walling, CEO. “He brings an incredible amount of experience and we are happy to have him on board.” Przybysz graduated from Cleveland State University where he earned a bachelor’s degree in Business Administration. He continued his education to receive an MBA from Case Western Reserve University in 1997. “Plasticolors is a frontrunner in its industry and I feel honored they’ve chosen me as their new CFO,” Przybysz said. “The company offers exciting challenges and I look forward to being part of such a collaborative, forward-thinking company.” Mark resides in Brunswick, Ohio, with his wife, Beverly, and two young boys, ages four and two. They hope to relocate to Ashtabula, Lake or Geauga County.

About Plasticolors

Plasticolors, Inc., a leading supplier of pigment and chemical dispersions to the paint, coatings, caulk, sealants and thermoset plastics industries, manufactures products for customers in the automotive, appliance, equipment, electrical, consumer and construction industries. The company’s colorants can be found in a wide variety of products, including interior and exterior automotive components, epoxy flooring, electrical and appliance housings, and a myriad of paints, coatings and molded composite applications. The company is ISO 9001, ISO 14001 and ISO/TS-16949 certified.
